2-Drum Inline Spill Pallet

This 2-drum inline spill pallet holds two 55-gallon drums in a single row. The narrow footprint fits against walls, along aisles and in tight rooms where a square pallet will not go, while the 30-gallon sump catches leaks and drips.

It is molded from polyethylene that will not rust and resists most oils and chemicals. The low deck height keeps loading easy, and the spill pallet ramp (C1689E) lets you roll drums on with a hand truck.

GOOD FOR

- Drums lined up against a wall or along a narrow aisle
- Dispensing stations where drums sit in a row
- Tight maintenance rooms with no space for a square pallet

SPECIFICATIONS

Holds	two 55-gallon drums
Size (W x D x H)	51.5 x 26.25 x 6.5 in.
Sump capacity	30 gallons
Load capacity	5,000 lb
Weight	32 lb
Item number (SKU)	C1632INE
