Oil-Only Fleet Duffel Bag Spill Kit, Absorbs 8 Gal.

The CleanUp Stuff Oil-Only Fleet Duffel Bag Spill Kit rides in a truck cab and holds oil-only absorbents for about 8 gallons.

It fits behind or under a seat, in a toolbox or a utility compartment. The oil-only absorbents soak up oil, fuel, hydraulic fluid and other petroleum liquids while repelling water, so it works on wet ground and floats on water.
