Cover for 2-Drum Spill Pallet, Yellow

A pull-over yellow polyethylene cover for 2-drum spill pallets stored outside.

Rainwater that collects in an open sump eats into the capacity you need for a real spill and means more pump-outs. This UV-resistant cover keeps rain, snow and debris out of the pallet so its full sump volume stays available for leaks. It weighs about 7 lb and slips on and off by hand.

SPECIFICATIONS

Item number (SKU)	C1016ACU

Specifications are typical values and may change without notice. Safety Data Sheets (SDS) and other documents are available on request.
