Oil-Only Absorbent Pads, Sonic Bonded, Medium Weight, 15"x19", Pallet of 36 Cases (3,600 Pads)

Oil-Only Absorbent Pads absorb oil and fuels only (repels water), with up to 24.7 gallons of absorbency per case.

These pads soak up oil, gasoline, diesel, hydraulic fluid, cutting oil and other petroleum-based liquids. They repel water, so they keep working on wet floors, outdoors in the rain and even floating on water. Lay them under leaking equipment, on workbenches or across a fresh spill.

GOOD FOR

- Oil and fuel leaks in shops, garages and plants
- Spills outdoors or on wet floors (it repels water)
- Marinas, boat docks and spills on water
- Under machines, presses and hydraulic equipment
