Oil-Only Absorbent Rolls, Heavy Weight, 30"x150', Pallet of 21 Rolls

Oil-Only Absorbent Rolls absorb oil and fuels only (repels water), with up to 44 gallons of absorbency per case.

These rolls soak up oil, gasoline, diesel, hydraulic fluid, cutting oil and other petroleum-based liquids. They repel water, so they keep working on wet floors, outdoors in the rain and even floating on water. Roll it out along aisles, under conveyors and machine lines, or across a large spill, and tear off just the length you need.

GOOD FOR

- Oil and fuel leaks in shops, garages and plants
- Spills outdoors or on wet floors (it repels water)
- Marinas, boat docks and spills on water
- Under machines, presses and hydraulic equipment

SPECIFICATIONS
