PRODUCT SPEC SHEET
Item CWRX150HS

Anti-Static Oil-Only Absorbent Roll, Heavy Weight, 30"x150', 1 Roll

Anti-Static Oil-Only Absorbent Roll absorbs oil and fuels only (repels water); static-resistant, with up to 63.4 gallons of absorbency per case.

This roll soaks up oil, gasoline, diesel, hydraulic fluid, cutting oil and other petroleum-based liquids. It repels water, so it keeps working on wet floors, outdoors in the rain and even floating on water. Roll it out along aisles, under conveyors and machine lines, or across a large spill, and tear off just the length you need.

GOOD FOR

- Oil and fuel leaks in shops, garages and plants
- Spills outdoors or on wet floors (it repels water)
- Marinas, boat docks and spills on water
- Under machines, presses and hydraulic equipment
