Oil-Only Spill Kit, 5-Gallon White Bucket, Absorbs 6 Gal.

The CleanUp Stuff Oil-Only Bucket Spill Kit packs oil-only absorbents into a white 5-gallon bucket with a lid and absorbs about 6 gallons of oil and fuel.

Keep one near machines, loading docks, shop floors and vehicle bays so the first person on scene can stop a spill fast. The oil-only pads and socks absorb oil, fuel, hydraulic fluid and other petroleum liquids while repelling water, so it works on wet ground and floats on water. Afterward the bucket holds the used absorbents until you dispose of them.

GOOD FOR

- Shop floors, loading docks and maintenance bays
- Forklifts, generators and equipment
- Vehicle and fleet parking areas
- Satellite spill stations near drums and totes
- Schools, offices and facilities teams
