Oil-Only Foil Bag Spill Kit, Absorbs 4.8 Gal.

The Oil-Only Foil Bag Spill Kit is sealed in a tough foil bag and absorbs up to 4.8 gallons.

The sealed foil bag keeps the absorbents clean and dry until you need them, so it can hang on a wall or ride in a vehicle for years. The oil-only absorbents soak up oil, fuel, hydraulic fluid and other petroleum liquids while repelling water, so it works on wet ground and floats on water.

GOOD FOR

- Vehicle cabs and service trucks
- Offices, labs and storage rooms
- Satellite spill stations
- Wall-mounted spill points
