# Oil-Only Net Bag Bilge Booms, 16.5"x21"x6", Pallet of 15 Cases (150 Bags)

These flat, pillow-shaped net bags soak up oil, diesel, gasoline and hydraulic fluid in the bilge and ignore the water. Their wide, flat shape puts more surface on the water, so they pick up oil faster than round socks. They float when saturated and sit flat in the bilge or under engines.

## GOOD FOR

- Boat bilges and engine compartments
- Marinas and boat yards
- Under-deck sumps that collect oily water

## SPECIFICATIONS

| | |
|---|---|
