Universal Drip Pan Kit, 10.5"x10.5"x3" Pan with 24 Pillows

A reusable drip pan with replaceable absorbent pillows. Set the 10.5 by 10.5 by 3 inch pan under a drip point, and when a pillow is full, swap in a fresh one and keep the pan. That cuts waste and keeps your ongoing supply cost low.

The universal pillows soak up oil, coolant, solvents, water and other common shop fluids. Each case includes the pan and 24 pillows. It helps you keep up with EPA and OSHA spill prevention rules.

GOOD FOR

- Under drips from valves, pumps and pipe joints
- Engine and equipment drip points
- Shops that want reusable pans
