Universal Spill Kit Bucket

Do you need to clean up various spills on a regular basis? If you do, you'll find our Universal Spill Kit in the Red Bucket the perfect solution! Each kit can handle up to 6 gallons of liquid, and that's a lot. But only you know just how big of a spill you typically need to deal with. You also know that it's always a good idea to have extra absorbents on hand so you'll be sure to have plenty of them no matter what size the spill.
