# Wall Section for Resizable Modular Containment Berm

An individual straight wall block for the Resizable Modular Containment Berm. Use it to build, expand or replace sections of the berm wall.

Interlocks with the other wall and corner blocks and resists UV and chemicals for long outdoor service. One per case.

## GOOD FOR

- Protecting a berm floor from tire wear and punctures
- Expanding or repairing an existing berm or wall system
- Draining rainwater from berms the right way
