Oil Spill Kit Bucket Absorbs 6+ Gallons

If you have to deal with small oil spills on a regular bases this is the spill kit for you. This oil only kit will absorb 6 plus gallons of hydrocarbons. The absorbents in this kit repel water, will not sink in water and absorb hydrocarbons only. The bucket container is weather proof and because it is red with a large "Spill Kit" sticker it is easy to find when needed. Oil only absorbents repel water so they are perfect for use around water in marinas, on boats and in vehicles where you could have fuel or engine leaks.
